SCIENCE, TECHNOLOGY, HEALTH

Master Materials Science and Engineering

Component
Collège Sciences et Technologies pour l'Energie et l'Environnement (STEE)

Subprograms

- Master's degree Chemistry and Physico-Chemistry of Materials
- Master's degree "Bio-Inspired Materials"
- GREEN Graduate Program - Materials Inspired by Nature and for Energy and Sustainable Technologies (MINEST)

Presentation

Program

Master's degree Chemistry and Physico-Chemistry of Materials

Master's degree "Bio-Inspired Materials"

GREEN Graduate Program - Materials Inspired by Nature and for Energy and Sustainable Technologies (MINEST)
