

Honours and awards

awarded to UPPA teacher-researchers (since 2017)

Prize of the Academy of Sciences

- Gilles Pijaudier-Cabot, teacher-researcher at the LFCR, winner of the Dolomieu Prize, a prize founded by the BRGM (2019).

Election to the French Academy of Science, Chemistry section

- Olivier Donard, Emeritus Research Director CNRS/UPPA (2022).

Appointments to the Institut Universitaire de France (IUF)

- David Grégoire and Gilles Pijaudier-Cabot, professors at the LFCR, have been appointed respectively Junior and Senior member of the Institut Universitaire de France (2017)
- Isabelle Chort, professor at the CATT, laureate 2019 of the Institut Universitaire de France as a Junior Member.

- Céline Perlot-Bascoulès, lecturer at ISA BTP, 2021 laureate of the Institut Universitaire de France as a junior member, for innovation.

Medals from the CNRS (National Center for Scientific Research)

- Bronze Medal: Hannelore Derluyn, LFCR, 2021
- Crystal Medal: Sophie Hontebeyrie, LMAP, 2021
- Crystal Medal: Christophe Pecheyran, IPREM, 2017

The Crystal Medal is awarded to women and men, research support staff, who through their creativity, technical mastery and sense of innovation, contribute alongside researchers to the advancement of knowledge and to the excellence of French research.

Bourse Fulbright

- Marie-Pierre Isaure, winner of the Fulbright scholarship (2022)

Bourse ERC Starting Grant

- Hannelore Derluyn, winner of the ERC Starting Grants (2019)

National or international awards

2021

- Lucie Marandel, "Prix Laurier INRAE: *Espoir scientifique*" for his work on nutrient-induced epigenetic regulation in rainbow trout.
- Thomas Bernet, *Prix "2020 Molecular Physics Early Career Researcher Prizes"* pour l'article de sa thèse : "A 3D non-local density functional theory for any pore geometry" *Molecular Physics* 118 (9-10), Article: e1767308
- Laurent Billon, *Academic Prize of the Cosmetic Valley competitiveness cluster*: for his project on bio-inspired microgels

2019

- Maud Save, distinguished by the journal *Polymer Chemistry* as a "Pioneering Investigator 2019"

2018

- *Lindley Prize awarded* to Benoît Liquet (IPRA-LMAP/UPPA), Kerrie Mengersen (E2S International Chair UPPA/Queensland University of Technology)
- *Alfred Dutens Medal* : Valérie Fasseur, ALTER
- David Diop, *Goncourt des lycéens* for his novel *Frère d'âme*
