

## Scientific Works

In addition to scientific articles, teacher-researchers at UPPA publish works that are accessible to the general public and available through bookshops.

## Catalogues of UPPA works

Since 2003, UPPA has compiled the [📖 Catalogue of Publications by UPPA](#) which lists the books (individual or collections) written by UPPA contributors and also publications by the university publisher, "Presses Universitaires de Pau et des Pays de l'Adour" (PUPPA).

## PUPPA, "Presses universitaire de Pau et des pays de l'Adour"

PUPPA publishes studies of a high scientific standard, it co-edits artists' books within the university context and promotes UPPA's scientific reputation.
