

Producciones científicas

Artículos científicos

Con 500 investigadores, la UPPA produce más de 600 publicaciones internacionales al año en revistas científicas especializadas, obras colectivas y coloquios coordinados por científicos nacionales e internacionales.

Scientific Works

In addition to scientific articles, teacher-researchers at UPPA publish works that are accessible to the general public and available through bookshops.

Theses

UPPA's two doctoral schools produce about 80 Doctorates every year in the fields of exact sciences and their applications and the social sciences and humanities.

HDR

Accreditation to supervise research (HDR) is a national Higher Education diploma which can be obtained after a Doctorate.
